

FOR OUR SUPPORT TEAM

The trip you were already taking can support us on the field.

You already stand behind our work, and we do not take that for granted. This asks nothing more of you. Every vacation booking pays a travel commission — built into the price whether or not an advisor is involved, and paid by the cruise line, resort, or tour operator. Book through Steward Travel and roughly 5% of your booking comes to us instead of a booking site, at the same price.

The money exists either way. Only the destination changes.

It costs you nothing

Same price

Suppliers set one published price. Advisors cannot undercut it and do not mark it up.

Same promotions

Kids sail free, onboard credit, free gratuities, seasonal sales — those belong to the fare, not to the website you book on.

Nothing off your budget

This is not a second ask and it does not replace anything. It redirects money that was leaving your hands regardless.

What your trip would send

YOUR BOOKING	GIFT TO OUR MINISTRY
Under \$2,000	5% of booking
\$2,000 - \$4,999	\$100 - \$250
\$5,000 - \$9,999	\$250 - \$500
\$10,000 - \$19,999	\$500 - \$1,000
\$20,000+	\$1,000+ (custom)

How to do it

1 Ask first

Contact Grant before you book — even if you have already found the trip you want.

2 Name our ministry

Tell him where the Gratitude Gift should go. No forms, no paperwork on your end.

3 Travel

After your trip is complete and the commission is received, he sends the gift directly and confirms it.

Please designate gifts to: _____
